RE: Master Plan of Streets and Highways Amendment for Mountain Edge
Parkway

Dear Mr. Rankin:

Please accept this letter as justification to amend the Master Plan of Streets and
Highways to add an alternative alignment for the Mountain Edge Parkway.

The proposed alternative alignment to the existing Mountain Edge Parkway
alignments requires less right-of-way as a result of a more efficient geometry
design for the system-to-system interchange at US95.

Please feel free to contact me at 229-4717 with any questions.

Respectfully,
